

# Bourne Grammar Animal Rights Society

Every  
Wednesday  
lunchtime in SS3,  
starting 7th  
November for all  
Sixth Form  
students

As a society we aim to:

- Be a platform that enables students to change the way animals are treated.
- Spread awareness and information about the way animals are used in today's society, e.g. animal testing, using animals for entertainment, Yulin dog festival, factory farming.
- Create discussion and debates about animal rights.
- Show screenings of videos.
- Have talks and q&a discussions, answering everyone's questions.
- Contribute to petitions against animal cruelty.

**Everyone is welcome, come along, educate yourself and make a difference.**
